Re: Kashawn Wright v. City of New York, et al., 14 CV 6873 (RJD)(RML)

Your Honor:

I represent the plaintiff in the above-referenced action. I write with defense counsel to seek a further 60-day extension of time to complete discovery from today to April 4, 2016. This request is the parties' third request for an extension.

The extension is needed because the parties had explored the option of settling this case. However, that is not likely at this time. Furthermore, the counsels' respective schedules and the plaintiff's incarceration has presented difficulties in scheduling and conducting depositions. Accordingly, the parties seek this additional time to complete the outstanding discovery. We thank the Court for its consideration of this request.

Sincerely,

Afzaan Saleem
